Debate

How can we ensure a better life for everyone through learning?

Upskilling, CVET and adult learning for changing labour markets and complex societies

Objectives:

- To raise awareness for the opportunities and benefits that adult learning (in all its forms) offers for improving lives
- To understand and analyse good practice examples from different sectors / areas of ALE that improve people's lives
- To understand and discuss policies and frameworks, especially current European strategies that promote and support upskilling, adult education and CVET in order to make this learning possible
- To bring different stakeholders (EP, EC, CS, Social Partners ...) together to reflect on how we can ensure that everyone can participate in high-quality adult learning and education and how current EU strategies can best be implemented
- To reflect on cooperation and partnerships for the implementation of these programmes
- To draw conclusions, proposals, recommendations
