Organisers:

European Federation for Intercultural Learning (EFIL)
European Educational Exchanges-Youth for Understanding (EEE-YFU)

Debate

The impact of ICT on intercultural youth work

Impact & Opportunities

Concept

The event will aim at reflecting together on the factors to take into account when developing online and blended-learning intercultural programmes; integration of education on online hate speech, media literacy & privacy into the existing educational content of youth work and mobility programmes.

Agenda

Welcome words & Introduction

- ▼ Giuseppina Tucci, OBESSU, Steering Group of Lifelong Learning Platform
- ▼ Kea Hoppe, EEE-YFU, moderator

Discussants

- ▼ Alma Rikardsdottir and Elisa Briga, EFIL: the conclusions of the Study session "Youth work for intercultural dialogue: online & in-person encounters" organised by EEE-YFU, EFIL, Experiment e.V and CISV International

Debate

- ▼ Davide Capecchi, EU-CoE youth partnership: how ICT can support quality learning mobility
- ▼ Claire Hermann, European Commission, DG EAC: the Erasmus Virtual Exchanges initiative
 - Debate

Closing words

- ▼ Kea Hoppe, EEE-YFU, moderator
- ▼ Giuseppina Tucci, OBESSU, Steering Group of Lifelong Learning Platform
